Subject: questions from an investments firm about water quality testing in Susquehanna Co. (Dimock)

Mr. Garvin,

We received a call in HQ about water quality testing in Susquehanna Co. (Dimock). The gentleman had seen articles about EPA doing some testing on top of what PA DEP had done previously. Can someone please call him back to discuss?

His name is Michael Chambon. The name of the firm is Magnetar Capital. Mr. Chambon's number is 847-905-4488.

Please let me know if you have any questions. Thanks.
